

PRESIDENT'S DAY PROJECT DUE FEBRUARY 12, 2019

Students need to create a poster board project about a president. The poster board should include the following items.

- A title which is the president's name.
- A map showing where their president was born
- A timeline, which should include six, but no more than ten, events from their president's life.

Examples- a short description of facts should be given for each date

- ✓ Birth
- ✓ Education
- ✓ Marriage
- ✓ Children
- ✓ Political offices held
- ✓ Important event that occurred during their president's time in office
- ✓ Death

❖ Remember, these must be in your own words and not a printed copy from the computer or an Encyclopedia.

- Pictures must be mounted on colored construction paper
- The written form must have complete sentences or paragraphs and placed on your poster board. This portion may be typed.
- An idea to add would be the slogan of the president's election
- Oral Report - Students will present their project on Grandparent's Day

Helpful Hints*

- ✓ Use notecards
- ✓ Make eye contact with your audience
- ✓ Two minute presentation - practice your report at home
- ✓ Know your president

This project should be fun and educational. Please BE NEAT, cut your pictures neat and straight, color within the lines, and mount your pictures and maps on the poster board. These posters will be on display in the mall.

I have examples in my classroom and on my website.

Describe three or more important events in his life:

Write about his accomplishments while in office:

How has this person affected our lives?

Use this paper as your outline and then write or type your paper that will be attached to your poster board.
